

TPE Home Video

(1986-1995)

Logo: It starts out the same as the 1983-1995 TPE logo, but when the “E” streaks in from the right, the logo becomes 3-D and rotates around. The background becomes A light blue-dark blue gradient. The 3-D TPE logo then places itself to the top and the words “HOME VIDEO” in 3D zoom out below.

FX: CGI Animation. Not rough for 1986.

Music: A nice 18-note electronic fanfare.

Availability: Seen on 1986-1995 tapes which are available on eBay or your local mom and pop store.

Scare Factor: None. A nice and clean logo.
